## **EXECUTIVE SUMMARY**

As a part of the scheme of the Ministry of Environment, Forest and Climate Change, Govt. of India, New Delhi, to train 'Other Stake Holders' outside the domain of the Forest Department which include the NGO's, Media Personnel, Lawyers and Defense Counsels, Lecturers and Professors of Science Colleges, Educators and Teachers-in-charge of Eco clubs etc, the Central Academy for State Forest Service, Burnihat is mandated to conduct a two-day training programme on "Sensitization on Natural Resource Conservation" for Press and Media personnels.

This theme-based training programme was held from 17<sup>th</sup> to 18<sup>th</sup> August, 2021 for media personnels from national and regional print and electronic media, journalists, editors, radio news readers, reporters and radio and video anchors.

A total of sixty-eight (68) registrations were received from seventeen (17) States of which forty-Six (46) media personnels attended the said training programme and were awarded with the Course Completion Certificates. The rest of the participants did register but did not attend the training programme partially or completely.

The "Sensitization on Natural Resource Conservation" module was developed with the experts' input on the subject and feedback of earlier courses and in-house experience. The methodology followed was online training through Google meet platform, wherein the participants registered themselves online through a registration form. Thereafter, all the registered participants were given a link to join the training sessions.

The Course was inaugurated by the Chief Guest Mr. D. P. Bankwal IFS (Retd.), Former Principal Chief Conservator of Forests & CWLW, Assam. The Course Director of the training Shri C. A. Rahman IFS (Retd.), Contractual Associate Faculty, CASFOS welcomed the Chief Guest and Participants. He gave a brief presentation about aim and objective of the Course. Dr. C. Ramesh, Principal in his opening remarks emphasized the role of media in Conservation of Natural Resources by various programmes of their media houses, Reportings, article writings and coverage of various efforts of Governments, civil society and other stakeholders in protection and

conservation of Natural Resources of the country and expressed his belief that this training through sensitization of press and media persons would achieve the goal. Mr. D. P. Bankwal IFS (Retd.) in his inaugural address told that the Media through their reporting, story telling or news items play an important role in bringing the correct picture of the issues related with Environment, Forest, Wildlife and other natural resources. He asked to strengthen the existing linkage between the Forest department and Media and Press personnels to make the Natural Resource protection and conservation efforts more effective and efficient.

The Resource persons like Mr. Praveen Bhargav, Managing Trustee of Wildlife First, Mr. Agni Mitra, IFS, Dy. Director, Wildlife Crime Control Bureau, Kolkata, Mr. N.I. Laskar, Consultant Editor, Eastern Chronicle, Guwahati, Ms. Sharada Balasubramanian, Independent Environmental and Development journalist, Ms. Madhu Sarin, Environmental Activist, Mr. Ramesh Menon, Adjunct Professor, Symbiosis Institute of Media & Communication, Pune and Mr. Ishan Kukreti, Senior Journalist, Down to Earth deliberated on various aspects related with the theme of the training programme. The topics covered in this training were Forest & Wildlife Conservation: Issues & Challenges; Basic tenets of Forests & wildlife laws; Reporting from Forest & Wildlife Conflict scenes: Dos and Don'ts; Role of Media in promoting Environmental awareness; Media-Forest Cooperation; Civil Society and Green Activism; Environmental journalism-status and way ahead and Media coverage of forest and wildlife related issues

The detailed time table showing session-wise topics and Resource Persons is enclosed as Annexure- 4.

The copies of the presentations made by the experts in each session were shared in soft copy to participants through the Whatsapp group.

**NUMERICAL VALUE OF FEEDBACK AND WEIGHTED AVERAGE**

For calculation of numerical value of feedback, each factor is valued as percentage value to the top grade given to the factor. If no answer is provided, it is excluded from calculation. Average of numerical value of factors consisting of the element is a numerical value of the element.

**1. Course Content and Structure (CCS) = 87.71**

- 1.1 Course aims met (88.61)
- 1.2 Increase of knowledge (85.03)
- 1.3 Relevance of content (87.93)
- 1.4 Reading Material (89.29)

**2. Training Faculty (TF) = 89.25**

- 2.1 Assessment of the Course contents/topics = 89.25
- 2.2 Contents (91.20)
- 2.3 Presentation (87.38)
- 2.4 Quality of Discussion/Interaction (88.93)
- 2.5 Meeting for Objectives (89.50)

**3. Usefulness of the Course (UOC) = 91.41**

- 3.1 How useful to you immediately (90.48)
- 3.2 How useful to be for the future jobs (92.35)

**4. Overall Impression about the Course (OIC) = 84.69****Weighted Average for the Course**

For calculation of Weighted Average (WA), the following formula is used.

$$\text{WA} = (\text{CCS (100\%)} + \text{TF (100\%)} + \text{UOC (75\%)} + \text{OIC (100\%)} ) * 100 / 375$$

$$\text{WA} = (87.71 + 89.25 + 68.56 + 84.69) * 100 / 375 = 88.06\%$$

### Inaugural Session by Mr. D. P. Bankwal

### Session of Mr. Praveen Bhargav

**Session of Mr. Ramesh Menon**

**Feedback Session**

Government of India  
Ministry of Environment, Forest & Climate  
Change Central Academy for State Forest  
Service, Burnihat, Assam

**Two-day Training Programme**  
on  
**Sensitization on Natural Resource Conservation”**  
for  
**Press and media persons**  
from  
**17<sup>th</sup> to 18<sup>th</sup> August 2021**

Media has always been active in covering social and environmental issues and has proved to be the most potent channel for spreading environmental consciousness in the masses. However, its full potential on this issue still needs to be harnessed.

Mass media like television, radio, English and vernacular press and magazines etc., can reach out very effectively to the largest possible audience in a country as big as ours. It can act as a channel through which the message of conservation issues and related challenges could be broadcasted to a wider audience of the country.

**Target Group:**

National and Regional print and electronic media personnel, journalists, editors, radio news readers, reporters and radio and video anchors etc.

## Mode of Delivery:

Online through interactive video conferencing facility (Microsoft Teams). Study material in hard and soft copy shall be shared to the participants.

## Proposed Outcome:

Sensitized media personnel who will play an important role in the formation of positive attitudes of the public towards the environment by reaching out to a vast population of the country. It would also ensure a balanced reporting on matters concerning forests, wildlife and environment keeping in view the core issues and challenges.

## Objective:

Central Academy for State Forest Service, Burnihat under the aegis of the Directorate of Forest Education, Ministry of Environment, Forest and Climate Change, Government of India, is taking a pioneering step towards sensitizing the media personnel to the issues and challenges of natural resource management by conducting a two-day workshop. This will manifest into creating an optimistic and positive about the natural resource management reporting and journalism among the media personnel.

## Central Academy for State Forest Service, Burnihat

Established in 1976, Central Academy for State Forest Service (CASFOS), Burnihat is a premier Institute under the aegis of Directorate of Forest Education, Ministry of Environment, Forest & Climate Change, Government of India, with a mandate of imparting training on forestry, wildlife and environment.
