## Executive Summary

Central Academy for State Forest Service, (CASFOS) Dehradun organized a two-day online Training on “**Conservation Issues in India**” from 19<sup>th</sup> July to 20<sup>th</sup> January 2021 for the science faculty of Universities and Colleges. A total of 535 participants from 28 States registered for the training. However, 249 participants were awarded Course Completion Certificates who attended the course with more than 75% attendance. Keeping in view the ongoing CoVID 19 pandemic situation, the course was conducted on an online mode using Microsoft Teams video conferencing application. The course was designed keeping in view the contemporary issues and challenges in conservation of biodiversity in India. Topics related to application of ecology and conservation biology in the field were included to provide a better idea of management of forests and wildlife. A combination of lecture sessions, case studies and short video documentaries were also included in the course to make it more relevant and avoid monotony. Interaction between the participants and resource persons was encouraged throughout the course.

The training was inaugurated by Prof. (Dr.) Rakesh Kumar Sharma, Vice Chancellor, Graphic Era (Deemed to be) University, Dehradun as the Chief Guest. He gave thrust to encouraging practical oriented environment education in curriculum of educational institution. Shri Kunal Satyarthi, IFS, Principal, CASFOS Dehradun, highlighted the important role that faculty of higher educational institutions can play in conservation by infusing the idea of nature conservancy among the students and research and development activities. He stressed upon collaboration of educational institutions with forest managers and CASFOS Dehradun for providing exposure to the students on topics related to forest and wildlife management. Relevant topics like history of forest and wildlife management in India, biodiversity profile and conservation efforts, tiger and its habitat conservation, wetlands, amphibians and reptiles and ecosystem services were dealt in the lecture sessions. The detailed schedule of the course and resource persons are enclosed as Appendices III and V in this report.

The Valedictory session was chaired by Dr. Gurinder Singh Goraya, IFS (Retd.) He also chaired a panel discussion on the role of education institutions in conservation in which he discussed ways in which Academies can participate in conservation action. Shri Kunal Satyarthi, IFS, Principal CASFOS, Dehradun gave thrust to key areas where educational institutions can adopt conservation science in their curriculum. He also discussed ways and means to incorporate environmental education in our education system.

The soft copies of articles and write-ups related to the relevant topics covered during the course, apart from the copies of the presentations made by the experts and the recordings of each sessions were also provided to each participant as part of the training kit which was shared through Microsoft Share point and whatsapp group.

Overall impact of the training was positive and the feedback and high rating from the participants corroborates the assessment of the organizers. Most of the participants expressed their interest to have collaboration with CASFOS Dehradun for imparting effective environmental education to their students.

Format for reporting evaluation of refresher course conducted by the institute/organization for  
the SFS officers sponsored by the  
**Ministry of Environment, Forests & Climate Change, GOI, New Delhi** as per the merged format of  
MoEF&CC and JICA

**Course Report**

MoEF&CCs /DFE's letter number and date		F.No.4-98/TrgII/Conservation/CASFOS/2021-22
Institute's reference number		
1	Name and complete address of the Institute (including phone, fax and e-mail)	Central Academy for State Forest Service, Dehradun ☎ 01352-2754575/2754648 Fax- 0135-2756168 Email- <b><i>casfos.dd-mef@gov.in</i></b>
2	Title of the course	Conservation Issues in India
3	Duration & period of the Course	Two Days From 19 <sup>th</sup> July to 20 <sup>th</sup> July 2021
4	Name & designation of the Course Director	Shri Abhilash Damodaran, IFS, Lecturer
5	Number of officers participated	(Details at Appendix- IV)
6.1	(a) Did the institute get in touch in advance with the participants of the course?	Yes
	(b) If yes, when (mention the date of communication to the officers)?	23.06.2021
	(c) Details of registration received from States prior to the Course	535
	(d) How many officers received the intimation?	All
	(e) How many officers attended course with more than 75% attendance?	<b>249</b>
6.2	(a) Were the course expectations of the participants ascertained by the institution?	Yes
	(b) If yes, how and when (dates)?	By direct interaction and in form of feedback on prescribed proforma collected during the course.
7.1	(a) Was the course conducted at the institution's campus? If no, where?	No, it was through online platform
	(b) Whether the course was "residential" or non-residential. If residential, whether the residential facilities were provided in the institution's own hostel or in a hotel etc.?	No

7.2	(a) Total no. of working days in the course	2 days
	(b) Total no. of sessions planned/convened in the course	8 sessions
	(c) No. of sessions, which could not be conducted as planned with reasons	
	(d) Internal faculty hours	3 hours
	(e) Guest faculty hours	6 hours
	(f) No. of days / hours spent on field visit(s), if any	Nil
Enclosure (2 copies each):		
<ul style="list-style-type: none"> <li>- Final course time-table</li> <li>- List of faculty (both in-house and guest faculty)</li> <li>- Final list of participants</li> </ul>		
8	(a) Had the same or similar course been conducted earlier under the sponsorship of the MOEF&CC/Department of Personnel and Training (Government of India)?	Yes. Similar course was conducted from 27 to 28 January, 2021 in FY 2020-21.
	(b) What changes, on the basis of the feedback received in the previous course were made in the current course?	Resource person on the topic “Ecosystem Services” was changed and more time for discussion was ensured.
9	Feedback received from current course participants in terms of: (*1.1, 2.1. shown below refer to question number in Part C or Part D of the feedback form.)	
9.1	Course Content and Structure (CCS)	Course Content & Structure including reading material was found to be relevant and highly appreciated by the participants with rating of <b>95.91%</b> Course aim was met to the full satisfaction & as per feedback, there was increase in knowledge level of the participants.
9.2	Training Faculty (TF)	The participants have rated the training faculty <b>91.80%</b> and the lectures were highly appreciated by the participants.
9.3	Usefulness of the course (UOC)	The participants have given a feedback that the training course will be highly useful immediately and also in future for their job with combined rating as <b>90.37%</b>
9.4	Overall impression about the Course (OIC)	The participants are highly impressed by the course and rated it around <b>93.91%</b> .
9.5	Participants’ views about the strengths and weaknesses as well as other aspects pertaining to the course (Please attach summary as Appendix-I.)	Overall the participants have appreciated the course. The Suggestions made by them along with Academy’s comments are attached.

9.6	Logistics (including Residential accommodation, Food quality, Class room facilities, Computer facilities and Recreation facilities and Time management etc.)	The internet connectivity at the academy was excellent throughout the course. However, some of the participants did not have very good connectivity at their end at times. Being online, logistics like residential facilities, food quality etc are not being considered. Time schedule was followed meticulously.
9.7	Weighted Average (Please attach summary as Appendix-II)	The weighted average of the course has been rated as <b>93.17%</b> which is found to be very satisfactory.
10	General remarks of the Course Director on the nature and extent of participant's involvement in the course including attendance punctuality and interest evinced	The participants were enthusiastic and expressed their keenness to learn. All participants appeared very interactive during the sessions.
11	Suggestion highlighting the areas of improvement in the Course for future by Course Director	Feedback received is excellent in all aspects of course design, content, quality and facility etc. Certain topics like invertebrates, role of educational institutions in conservation, increasing duration of the course is strictly recommended.
12	Comments of the Institution on how the feedback is proposed to be recycled into future programmes in terms of course content, methodology, etc.	As reported by the participants, they were immensely benefitted by the course. Academy will try its level best to incorporate the suggestions to further improve the courses in future.

  
**(Shri Abhilash Damodaran, IFS)**  
**Course Director**

**PRINCIPAL**

**Course Director's comments on  
participants' views about the strengths and weakness pertaining to the course**

<b>S. No.</b>	<b>Participants' views</b>	<b>No. of participants who have expressed the view</b>	<b>Course Director's comments</b>
1.	Sessions are wonderful very informative and relevant.	119	Will continue to keep up the standards.
2.	Need more days, at least one week. Such wonderful program should continue every year	27	May recommend MoEFCC to increase duration of this course.
3.	Looking forward to attend training in offline mode. Include field training/experience	6	Offline mode will be conducted when Covid-19 Pandemic situation improves.
4.	Overall the programme was excellent, other than the lagging due to network issues	7	Academy has no role in network at participant's side.
5.	Need to invite more subject specialist.	2	Limitation of time has to be kept in mind.
6.	Below ground biodiversity specifically invertebrates should also be included as they also play an important role in ecosystem. Invasive invertebrate species also lead to extinction of other above ground species, fungus etc. But in most of the cases these below ground organisms are neglected.	1	The suggestion will be considered next time.
7.	Habitat level approach could be focused	1	The suggestion will be considered next time.
8.	It was good training session for all of us. But I suggested one thing the course content is only English language if expert use Hindi- English both combined language it was very useful.	1	Since participants are also from non-Hindi speaking states medium of instruction in English.
9.	It was the best workshop to introduce the conservation efforts, challenges and future projects.	1	Will continue to keep up standards.
10.	Kindly extend the course duration and also restrict the number of participants maximum upto 100	1	May recommend MoEFCC to increase duration of this course.
11.	After every session 5 mts can be dedicated by the resource person to talk about how students and youth can be involved( with the topic of their presentation) in order to preserve, conserve and sustain the environment.	1	The Issue was discussed in inaugural & valedictory sessions besides Q & A after every session.
12.	Program was designed more on animals and RET plant species not discussed.	1	Noted for future implementation.

### Numerical value of feedback and Weighted Average

*For calculation of numerical value of feedback, each factor is valued as percentage value to the top grade given to the factor. If no answer is provided, it is excluded from calculation. (cf; where number of grade is 4, percentage value be 100, 75, 50, 25)*

*Average of numerical value of factors consisting of the element is a numerical value of the element.*

#### 1. Course Content and Structure (CCS) = 95.91

- 1.1 Course aims met (97.44)
- 1.2 Increase of knowledge (93.91)
- 1.3 Relevance of content (96.54)
- 1.4 Reading Material (95.78)

#### 2. Training Faculty (TF) = 91.80

- 2.1 Assessment of the Course contents/topics = **91.80**
  - Contents (92.50)
  - Presentation (92.06)
  - Quality of Discussion/Interaction (90.98)
  - Meeting for Objectives (91.67)

#### 3. Usefulness of the Course (UOC) = 90.37

- 3.1 How useful to you immediately (90.58)
- 3.2 How useful to be for the future jobs (90.17)

#### 4. Overall Impression about the Course (OIC) = 93.91

### Weighted Average for the Course

For calculation of Weighted Average (WA), following formula is used.

$$WA = (CCS (100\%) + TF (100\%) + UOC (75\%) + OIC (100\%) * 100/375$$

$$WA = (95.91 + 91.80 + 67.78 + 93.91) * 100/375$$

$$= 93.17\%$$

## Details of Topics &amp; Resource Persons

S. No.	Topic	Name	Contact No.	E-mail
1.	Forest and Wildlife Management in India: Past and Present	Shri Kunal Satyarthi, IFS, Principal, CASFOS Dehradun	9410394349	kunalsatyarthi@gmail.com
2.	Biodiversity Profile of India and Conservation efforts	Shri Abhilash Damodaran, IFS, Lecturer, CASFOS Dehradun	9412050571	abhilashifs@gmail.com
3.	Status of Tiger Conservation in India	Shri Hemant Kamdi, IFS, AIGF, National Tiger Conservation Authority, Nagpur	9436211735	hkamdi@gmail.com
4.	Status and Importance of Wetlands	Dr. Ritesh Kumar, Director, Wetlands International-South Asia	9871837444	ritesh.kumar@wi-sa.org
5.	Amphibians and Reptiles of India: Conservation Status	Dr. Abhijit Das, Scientist-D, Wildlife Institute of India	9412030187	abhijit@wii.gov.in
6.	Ecosystem Services	Dr. Dhanya Bhaskar, Associate Professor, IIFM, Bhopal, M.P.	9844316406	dhanyab@iifm.ac.in
7.	Role of Education Institutions in Conservation and Valedictory	Dr. Gurinder Singh Goraya, IFS (Retd.)	9418025036	Gurinder9@hotmail.com

## Details of Participants (with more than 75% attendance)
